STATEMENT OF PAUL D. BABAZ

I was standing at the ballroom door, waiting for a table guest. Larry Rudolph walked up with his wife, Bianca and asked to speak with me. We walked off to the side, approximately 20 feet from the door. Larry told me that someone asked him about having a girlfriend in Atlanta and asked how this person would know anything about that. I asked Larry who the person was and he replied, "Bob Fucking Anderson." I tried to reply in response to this and he began shouting and yelling at me. He started yelling, "You fuck with my family, I will fucking kill you!" "I will hire somebody to kill you!" "I will fuck you up! I will kill your children, I will kill your whole family!"

I told Larry not to push me, so he started slapping the floor with his hands, trying to engage me in a fight while yelling at me that he would kill my children and hire somebody to kill me. He was yelling in a loud voice and was clearly agitated. He took off his sport coat and threw it on the floor while yelling at me and telling me that he will kill all my children and, "Fuck you up."

Clint Bishop, who I was waiting for, approached from behind and asked if I was okay. He had obviously heard Larry yelling, as others had gathered to see what was happening. I turned to walk away with Clint and Bianca said, "You're a fucking asshole and I never want to have anything to do with you." I didn't reply but walked into the ballroom as there were a lot of people looking on, as well as staff members, who witnessed this entire episode.

Larry had previously screamed and yelled at me in a threatening manner via telephone in late October. He then texted an apology to me the following morning. I have a copy of that text message.

The threats, intimidation and totally inappropriate conduct was witnessed by Clint Bishop, Brenda Devito and Melinda Shreves.

The foregoing is true and accurate to the best of my recollection.

Paul D. Babaz

STATEMENT OF CLINT BISHOP

The following is a statement regarding my involvement during an altercation between Paul Babaz and Larry Rudolph.

I was going down to meet Paul since he had my ticket for the evening event and when I got to the door I asked the young lady if Paul Babaz had left a ticket for me. She told me that he was just down the hall talking with Mr. Larry Rudolph and that I should go meet him. I had met Mr. Rudolph several times through the years with Paul so I was expecting to walk up on them and they would be talking about something with the convention or a recent hunt. As I got closer to them I could hear Mr. Rudolph raising his voice to Paul. Not knowing what the problem was, I stopped and gave it a second to see what I was going to walk up on. At that point I heard Mr. Rudolph making the threats to Paul and trying to challenge him to a fight. I did not have a clue what had happened to cause this but I knew that it had to be stopped. I walked around the corner and asked Paul if he was okay and that was enough to make Mr. Rudolph stop making the threats. His wife did call Paul a Fucking Asshole and said that she want nothing to ever do with him again as we walked off.

Paul has never shared any of the past situations between him and Mr. Rudolph so I was not sure what was going on. I asked Paul to walk with me and that we needed to go to our table. I was just trying to put space in between the two men. As we walked past the door the young lady at the door told me thank you.

Paul's report is true and happened as I recall it.

Clint Bishop

STATEMENT OF BRENDA DEVITO

On February 1, 2012, in the late afternoon or early evening, I was at the podium at the entrance to our nightly banquet facility. Paul Babaz was in the near vicinity of the podium. I saw Larry Rudolph come up to Mr. Babaz and tell him that he needed to speak with him. They went around the corner, to my left, as I faced out from the podium. Shortly thereafter, an individual who was unknown to me, but who I now know to be Clint Bishop, approached me and asked where Mr. Babaz was. I directed him around the same corner.

Shortly thereafter, I saw Mr. Babaz and Mr. Bishop come back into the banquet area. I did not see Mr. Rudolph again.

The foregoing is true and accurate to the best of my recollection.

**AFFIDAVIT OF
KIRK KELSO**

I, Kirk Kelso, being first duly deposed, deposes and says:

1. That my name is Kirk Kelso.

2. That in or about the year 2006, I owned and operated a business known as Pusch Ridge Outfitters which, among other things, engaged in Coues deer hunting in the Republic of Mexico.

3. That in or about the year 2006, Larry Rudolph booked a hunt with me.

4. That on the first day of the hunt, Rudolph shot at, and wounded, a Coues deer. We did not recover the deer that day.

5. The next day, we went out to see if we could recover the deer. We saw another unwounded deer and Rudolph wanted the unwounded deer. However, he indicated that he could not shoot as far as the deer was. He insisted I shoot the deer. As I had a tag, I shot the deer. Rudolph then insisted he place his tag on my deer and he did so. Rudolph then exported it as his deer from the Republic of Mexico into the United States. He departed the same day the deer was shot.

FURTHER AFFIANT SAYETH NOT.

Dated this 7 day of Feb., 2012.
